Re: Information Meeting for South Street Water Main Project

Dear Property Owner,

As you may have heard, the City of Rochester is planning to upgrade over 2,800 feet of water main along South Street from 101 South Street to 440 South Street. This upgrade will improve water service and fire protection in the area. To help all impacted property owners better understand the project and its potential impacts, the City is holding an Information Meeting via Zoom.

The Informational Meeting is scheduled for **6:00 pm, Thursday, April 15, 2021**. The link to attend the Zoom meeting is:

<https://us02web.zoom.us/j/81135680556?pwd=NUphRmF0aWRGRkw3NU10UDBDVWt1Zz09>

Primary construction activities will include:

- Replacement of existing 4" – 8" undersized water main with new 12" water main
- Replacement of existing water services and fire hydrants
- In-kind restoration of all disturbed areas

Your attendance at the meeting is very important and we look forward to seeing you; however, we understand that some property owners may not be able to attend the meeting. If you are unable to attend, please provide your email address and we can provide a project update from this and any future meetings.

In order to provide direct informational updates, the City is creating an email group for this project and a dedicated web page on the City's website. If you are interested in being included in the group email, please email rsvp@rochestermi.org and state [that you want to be added to the South Street project email list](#). [If you do not wish to provide your email address](#), you may go to go to the City's website and select the South Street construction project, for updates. The dedicated web page will up by April 19, 2021.

If you have any questions, please email dpw@rochestermi.org or call the City's Public Works Department at (248) 651-5165 between 7:00 a.m. and 3:30 p.m. Monday through Friday.

Respectfully,

Blaine Wing

Blaine Wing
City Manager
