### **TEMPORARY** **WATER DISRUPTION NOTICE**

July 19, 2021

To: Residents on Third St. between Wilcox and Pine

RE: Water main tie-in for Tuesday 7/20/21

The City of Rochester will be turning down the water pressure while Diponio Contracting Inc. connects to the new water main that was recently installed on Oak Street.

**Water service to your property may be disrupted anytime between 8:00 am – 3:00 pm on Tuesday 7/20.**

Once water has been restored to your property, we recommend flushing an outside hose spigot for several minutes to remove any iron. Iron does not pose a health issue but can damage laundry or appliances if not thoroughly flushed.

We apologize for the inconvenience. For any questions regarding this matter, please contact the Rochester DPW at 248-651-5165.

Sincerely,

Rochester Water Department
