Procedure for Virtual Public Meeting

The City has begun meeting in person for City Council as of June 1st, 2021. These meetings are occurring in person and via Zoom simultaneously. For further information regarding the availability of in person seating and its guidelines, please view the In-Person Meeting Procedures guide attached to the meeting's agenda packet. In order to safely and openly maintain our meeting schedule, the City has enacted the following methods for these meetings to occur:

- Live stream audio and video content on two (2) separate streaming platforms available at the City's [YouTube](#) and at the City's website at www.rochestermi.org/201/City-Webcasts. (Click the live links to go there.)
- The City is committed to staying as accessible as possible. Due to the limitations of technology, City staff encourages residents to send an email with your comments to rsvp@rochestermi.org that will be read into the public record. This will decrease the demand on our virtual meeting infrastructure. Thank you in advance for your help.
- For those who prefer to use a telephone to participate, you will need to call (312) 626-6799 and enter meeting **ID: 894 0072 2094**. When prompted, enter a participant number or just touch the # key. During the call, use *9 to raise hand and you will be "called on" by the last 3-digits of your phone number. (For example, my last digits are 8029. Callers will be asked to speak by referencing the last 4-digits of their phone number.) Note: Telephone participants will have their phone numbers masked, to protect their privacy.
- To provide additional opportunity to participate, members of the public are welcome to join the meeting by copying and pasting the following link in their browser: <https://us02web.zoom.us/j/89400722094> (Downloading Zoom is required.) Residents will also have a limited seating opportunity to view the meeting in person.
- Please remain patient as staff will do our best to assist everyone; but, **be advised for virtual meetings there will be a three (3) minute limit for public comments.**

For assistance or questions for accessing and/or making public comment during the meeting, for support or assistance please reach out to our Deputy City Clerk, Mr. Brian D'Annunzio by email: bdannunzio@rochestermi.org.

The City again thanks everyone in advance for your patience and cooperation during this very unique time.
