Rochester All Abilities Park Awarded \$225,000 Michigan Natural Resources Trust Fund Grant

Rochester, Michigan – December 2, 2021 – The Memorial Grove All Abilities Park (“The Grove”) is specifically designed to bring together children, families, and loved ones of all ages and ability levels to enjoy the many benefits of outdoor play and recreation.

“The Grove” will be a community within a community, where individuals can experience the simple, everyday joy of outside play.

Rochester was awarded a \$225,000 Development Grant by the Michigan Natural Resources Trust Fund (MNRTF). The MNRTF selected 95 recipients for development grants this year and distributed \$23,292,500 in awards.

The MNRTF Development Grant will cover approximately thirty percent (30%) of the estimated costs associated with this project. The City is actively seeking additional support through other grants and private funding to make the plan a reality.
